## 2nd Learning Teaching Training Activity in SPAIN on 7-11 February 2022

### TUESDAY, February 8, 2022

The meeting began with a welcome from the Spanish host members.

Lesson plans and video records were evaluated by teachers in groups. They discussed the content of the plans and videos in detail. While the coordinators had a meeting to discuss future work.

At the 2nd session of the first day, the trainer, Mauricio Borgon Fuentes Nieto, made a presentation on digital skills, creativity and innovation, communication and collaboration, critical thinking and digital citizenship. To conclude the topic on Models for the development of teachers' digital competence has been discussed.

### WEDNESDAY, February 9, 2022

On the second day the trainers Julio Jimenez Garcia and Antonio Miccoli conducted the training on the Spanish educational method and Looking to the future: the new teaching challenge. New applications have come up and including Quizziz. It was explained how the app works, what can be done and produced. From interactive quizzes to student questions and answers.

After the explanation several quizzes were made together and subsequently it was assigned to the various groups of teachers to create a quiz on their subject. Then the various groups had the other teachers try the quiz they created to test their skills.

The training ends with a discussion on the various quizzes created and their usefulness in teaching.

The certificates were given at the end of the training by the president of the Agifodent association to all the participants of the training.

During the afternoon a small presentation on Nasrid art was given and a small

presentation on what they would see next day at the Alhambra. In addition, all the participants practiced their skills by painting a small souvenir with the Alhambrakley that they received as a gift.

During the night the group went to Granada for the cultural night to see a typical Spanish dance show: flamenco

### THURSDAY, February 10, 2022

On the third day the whole group went to visit one of the oldest and most famous colleges in Granada, the College of San Isidoro.

After a short presentation by the hosting teachers about the school, the visit began, always maintaining the anticovid measures that the law imposes. They visited a few classes, from kindergarten to higher levels.

The day continued with a visit to the famous Sacromonte Abbey and the inevitable visit to one of the most visited monuments in the world: The Alhambra
